Natalie Phillips

Property Lifestyle Consultant

Artist · Designer · Project & Change Leader

Signature Spaces, Lasting Impressions

Artist, designer, lifestyle consultant. Her eye for colour, texture and space is not trained theory — **it is lived, felt and unmistakably her own.**

Involved in corporate enterprise programs from \$300K to \$500M. She's raised **capital too**. She runs renovations the way she ran boardrooms — structured, decisive, on brief. Budgets respected. No surprises.

Five renovations, small to large. **Project spend \$60K to \$2.5M.** Two in the Hills District, plus Central Coast, Paddington and Bedarra Island. Three businesses built.

Genuine, direct and easy to work with.

Slightly obsessed with unlocking a home's potential, she's backed by a property coach, savvy investors, a hand-picked builder and a trusted tribe of tradies.

A mum to a teenage daughter and a former competitive athlete who still keeps fit today, she also mentors young women in leadership.
